Mrs. Georgina Eid Dinar, Head of the Byblos Bank Group Consumer Loans, Kafalat Loans and Small and Medium Sized Enterprises Loans Unit said: *“As always, Byblos Bank launches its Personal Loan at the right time. The Winter Loan is designed to make our customers' lives easier and to turn their aspirations into action. They can enjoy loan amounts as high as LBP 15,000,000 and pay them back in monthly fixed installments as low as LBP 366,000. Byblos Bank has always put the needs and the well-being of its clients first and this is the reason why we are offering the Winter Loan with a 3-month grace period. It goes without saying that the holiday period is hard because of overspending. Being aware of this fact, Byblos Bank extends financial assistance to its clients by offering them a high amount loan payable in low monthly fixed installments.”*
